

# Seeking skilled teenage artists for The Centenarian Portrait Project by Teenagers

Are you an artist aged between 15–19, interested in adding value to someone's life and exploring a highly personal creative process?

*The Centenarian Portrait Project by Teenagers* is a community arts project that promotes intergenerational friendships, celebrates life at 100 (in all its forms) and fights the negative ageing stigma.

The Western Australian rendition will culminate in an exhibition in December 2022 presenting portraits of 100-year-olds by local teenage artists, following a life-affirming inter-generational process.

The program offers teenage artists the opportunity to get to know a local 100-year-old. We are currently looking for young people in Western Australia, who are interested in drawing, painting, etching (etc) a West Australian centenarian.

If you are an interested young person or you know a keen teenage artist, please contact Embraced Inc on 0484 197 345, via [info@embraced.com.au](mailto:info@embraced.com.au) or via our website.
