

Centenarian call out for The Centenarian Portrait Project by Teenagers

Do you know someone 100 years or over
living in Western Australia?

The Centenarian Portrait Project by Teenagers is a community arts project that promotes intergenerational friendships, celebrates life at 100 (in all its forms) and fights the negative ageing stigma.

The Western Australian rendition will culminate in an exhibition in December 2022 presenting portraits of 100-year-olds by local teenage artists, following a life-affirming inter-generational process.

We are looking for centenarians, who would like their portrait painted or drawn by a local teenage artist, through this program. Post exhibition, portraits will be gifted to each centenarian subject.

If you know someone who would be interested in being involved please contact Embraced Inc via info@embraced.com.au, visit www.embraced.com.au or call us on 0484 197 345.
